

NEW SALARY BILL PROVIDES RAISES

Tulsa County Only One in State Permitted to Pay Deputy County Clerks More Than \$150.

The bill before the Oklahoma legislature, providing a maximum salary of \$200 a month for deputies in the various county offices of Tulsa county, has been passed and signed by Governor Robertson. The bill provides for the payment of a maximum of \$150 a month in all counties of less than 25,000, under the bill regular or special federal courts only two counties in the state have a larger population and a special provision was made in the bill to increase the maximum salary of deputy clerks in offices in Oklahoma counties to \$175. Tulsa county alone has the jurisdiction of paying salaries of more than \$150 a month. Counties with less than 25,000 population have been allowed to raise salaries of deputies in counties of less than 25,000 over the salaries paid under the showing of the census. The bill allows the salary in all offices except county clerk, superintendent of public lands, and the point of increased salary for an assistant under that office in this matter the bill with the amendment is contradictory, allowing by the original bill a maximum of \$200 to this assistant, and under the amendment limiting the salary to \$150 a month in all counties with a population over 25,000.

DEMOCRACY VICTORIOUS TO BE HOBSON'S SUBJECT

Captain Richmond Hobson will speak at 11 o'clock this morning at the Boston Avenue Methodist church at 3 o'clock this afternoon on the subject of "Democracy Victorious—Is That So?"

These meetings will be held in connection with hundreds of national world prohibition rallies now being held throughout America. The speaker has been heard by thousands of Americans all over the country. Captain Hobson was one of the leading figures in the preparedness movement which was begun in Congress in 1914, and has been a "preparation for peace" ever since. To him was given the honor on December 31, 1918, on behalf of the committee of one thousand authorized by the National Anti-Saloon League convention at Columbus, Ohio, of introducing in the lower house of congress the amendment to the constitution of the United States prohibiting forever the manufacture, sale, transportation, exportation and importation of intoxicating liquors for beverage purposes. During the five years since, he has been addressing great audiences in all parts of the United States in advocacy of the ratification of this national prohibition amendment.

Thos. H. Ince presents **Wm. S. HART** in "The Poppy Girl's Husband"
An ARTCRAFT Picture

THE many admirers of William S. Hart will discover in "The Poppy Girl's Husband," his newest Artcraft picture, that he has been portrayer of duffied chaps and scoundrels to play the role of a convict and the famous—or infamous—barbaric denizen of the underworld. Yet every

bit of the tonate strength of character that has made Hart a world favorite on the screen, is retained in this new picture which deals with underworld life in San Francisco. The story was written by Jack Boyle and adapted to the screen by C. Gardner Sullivan. Mr. Boyle has become noted for his "Boston Blackie" stories and this famous character appears in the picture.

TODAY'S BEST RECIPES.

Creamed Dried Beef on Toast.—Six slices of bread, 20 cents worth of dried beef, butter size of walnut, one-half pint of milk, one-half pint of water, heaping tablespoon of flour.

Toast the bread and place on platter. Put butter in butter, chip the dried beef and let it brown in butter. Then add milk and water and let come to boil. Add flour dissolved in water and cook until it thickens. Pour creamed dried beef over toast and serve hot.

Bean Pie.—One pint of hot mashed potatoes, one tablespoon melted butter, one tablespoon flour, one pint navy beans, two small bay leaves, one spoonful of salt.
Cook the beans with salt and bay leaves until beans are well done and almost dry. Remove bay leaves. Mix together the mashed potatoes, butter and flour; grease a pie tin and line it with the paste spread out to a one-fourth inch thickness with a spoon. Place in the oven and let brown. When brown fill with the beans and serve.

Garnish with parsley if desired. This is an inexpensive feast preparation for luncheon. The bay leaves impart a delicious appealing flavor. Leftover mashed potatoes may be used by reheating.

Caramelized Oatmeal.—One quart cooked oatmeal, medium consistency, one cup brown sugar, butter size of walnut, one-half cup of water, one cup evaporated milk.

Mix together the brown sugar, butter and water. Place over the fire and boil for five minutes. Then add cooked oatmeal and cook slowly five minutes longer. Add milk, let

simmer for several minutes and place in dish and set aside to cool.
The above is excellent with a chocolate dip.
Caramel Pudding.—Put two tablespoons butter substitute in pan with one cup brown sugar; cook on stove until dark brown, stirring all the time; then add two cups milk thickened with two tablespoons corn starch; boil until it thickens and set away to cool.

DISCOVERIES.

Match Savers.—Take oatmeal or other boxes, cut in one-half inch strips and use as matches. They prove a great saving in lighting lamps or gas stove.

Substitute for Tape Needle.—Don't forget that a good many times when in need of a tape needle, the best way is to use a common safety pin. Pin it on tape, then close and draw through without any trouble. Once used you will always use, as a tape needle sometimes tears the article or the tape comes out. This way that trouble is done away with.

To Make Corned Beef when you have only fresh beef, put a piece of

smoked ham in with the beef and boil it together. It makes it have the red color and the same taste as corned beef. A half pound of ham is enough for two pounds of beef.
